

Positive Parenting Program “Triple P”

A parenting intervention designed to reduce your child's disruptive behaviors

- Strengthen parenting skills
- Decrease child behavior problems
- Reinforce a stable and supportive family environment
- Develop skills to positively, consistently, and decisively deal with problem behavior as it arises
- Focus on realistic expectations
 - Exercise self-care

This ten week parenting program is available to parents of children (ages 5-12), in collaboration with Rio, Santa Paula, Fillmore, and Simi Valley School Districts. Services are provided at sites most accessible to the family, including schools, the family home or Interface sites.
