INTERFACE CHILDREN & FAMILY SERVICES

The 7th Annual Love Is Brewing will be held Saturday, Saturday May 9, 2020 at Camarillo Ranch. Based on the success of last year's event, we expect it to draw over 200 philanthropic leaders from the local community and to be one of the most notable and exciting fundraisers in the area. This magical evening brings the community together to celebrate our roots and our community.

GOALS OF LOVE IS BREWING

For over 45 years, Interface Children & Family Services (www.icfs.org) has been our region's most comprehensive social service agency, dedicated to helping children and families in crisis. Families struggling with domestic violence or child abuse issues can't find the help they need. Interface is that safety net for 165,000 people a year through the 2-1-1 information and referral line, and serves 24,000 annually here in our region with life-saving services like shelter, counseling and more.

The Love Is Brewing Committee aims to raise \$150,000 by showcasing Interface's unique work supported by our region's top philanthropists and corporate leaders. Interface is our region's most innovative non-profit using the latest research to achieve a critical mission for our community: ending the cycle of family crisis for good.
