## ABOUT LOVE IS BREWING

The 12th Annual Interface Children & Family Services Love is Brewing Benefit will be held on May 9, 2026 at the historic Museum of Ventura County. Love is Brewing provides the funding needed for life-saving crisis response, advocacy, shelter, and counseling services for more than 1,000 survivors of domestic violence and human trafficking annually. This annual event also makes possible violence prevention education for nearly 14,000 students, educators, and parents.

We would love to have you and your company join us in caring for what matters most in our community: safe, healthy families, and thriving children.
